

Product description

A tradesman's tool kit would be incomplete without a universal cutter to cut hard and soft wires. The diagonal cutters Industrial by Wiha prove themselves to be robust, all-rounder pliers. The plier joint with DynamicJoint® ensures hand force is optimally applied when cutting, providing up to 40% greater cutting force. With their semi-circular head, these precision pliers also provide a clean cut edge. The ergonomically shaped plier handle ensures comfortable, fatigue-proof work.
